

Disclosure of Interests

The Localism Act 2011 contains specific rules governing Disclosable Pecuniary Interests (DPIs) that apply to both District and Parish Councillors. There is a requirement for Councillors to register their DPIs and for this information to be available on the District Council website for public inspection. Failure to register a DPI is a criminal offence.

Councillors must not participate in any discussion or vote on any matter in which they are aware they have a DPI regardless of whether they are a Parish or District Councillor.

To view Branston & Mere Parish Councillors' Register of Interest forms please follow the link below to NKDCs website and select the name of the councillor whose form you wish to view.
